#### **THE DIFFERENCE BETWEEN PASTORAL MINISTRY AND PASTORAL CARE**

##### **Pastoral Ministry**

"Pastoral Ministry" is when an appointed leader (also known as a "pastor," "shepherd," "priest" or "bishop") guides people in meeting their spiritual needs through The Messiah. The objective of Pastoral Ministry is to restore hope, faith and love in the hearts of God's followers. The majority of ministering that takes place within an Assembly of Believers is "Pastoral Ministry". In Pastoral Ministry, the minister helps to connect Believers to The Messiah. "Pastoral Ministry" is bringing The Compassion of The Messiah to people, to help them meet their emotional, mental, physical, and spiritual needs. "Pastoral Ministry" also serves to help others to recognize their gifts, empowering them to use these gifts in the service of others." Examples of "Pastoral Ministry" include bereavement support, visiting the sick, ministering to the jailed, feeding the hungry, weekly worship services, communion, etc.

##### **Pastoral Care**

"Pastoral Care" is the ministry of spiritual care, education and counseling. The main focus is on the nurturing of each person's spirit. A pastor, in the role of a spiritual nurturer, is the one who actually performs pastoral care. Every aspect of a pastor's interactions with the people in the pastor's realm of influence is a part of Pastoral Care. "Pastoral Care" is a type of "Pastoral Ministry".
